## ANNUAL PUBLIC NOTICE:

This annual public notice is being sent out prior to scheduling for the 2021-2022 school year. In accordance with USDE Guidelines IV-O, Title VI: 34 C.F.R. § 100.6 (d) this notice shall serve to advise students, parents, employees and the general public that all Career and Technical Education opportunities shall be offered to all students regardless of race, color, national origin, gender or disability.

During the 2021-2022 academic year, the Delsea Regional High School District shall offer the following Career and Technical opportunities regardless of race, color, national origin, gender or disability as described in the Program of Studies for Accounting, Sales/Marketing, Retail Operations, Computer Networking, Architectural Drafting, Radio/TV Production, Horticulture, Web Design, Digital Arts, Computer Programming, Music Technology, Engineering and Technology and Building Construction and made available online at:

[Curriculum Handbook 2021-2022 - Approved 8/4/21](#)

Additionally, the District will place this notice in the newspaper of record annually.

The admission and criteria for selection in career and technical education programs do not restrict any race, color, sex, national minority origin or students with disabilities from participation in our career programs. Applicants are required to meet the individual high school course's prerequisites and questions can be directed to Career and Technical Education Supervisor, Building Principal or District Compliance Officers, as listed below. The District assures that the career programs are available to all pupils and that all limited English proficient pupils and pupils with disabilities will not encounter barriers for admission and participation in such programs.

### District Compliance Officers:
